CONSENT CALENDAR

1. Minutes from the special meeting held August 28, 2018 were unanimously approved.

ADMINISTRATIVE AND STAFF REPORTS

2. John Craig welcomed Michael Rassler to the Committee and reminded the group that the one remaining PIF vacancy is being recruited through the end of May.
3. Jesse Seguin updated the committee on progress of the bunker project partially funded by the PIF. The six-week-long project is scheduled for completion this week, given favorable weather conditions.
4. The committee recommended the use of up to \$10,000 for beautification and revival of landscape areas on #1, 2, 5, 8, 9, 10, and 11 tee complexes using drought-tolerant, perennial plants that will enhance visual aesthetics and improve golfers' first impression of the course in these highly visible areas that are currently under-utilized. The allocation of funds also provides the opportunity to plant trees

along the fence-line of the parking lot, which will create a border between McCaw Road and the parking lot, while enhancing optics from both sides.

Jesse Seguin to provide a detailed cost analysis for plants and labor.

Motion: Michael Rassler

Second: John Craig

Vote: 3-0 Aye (1 Abstain: Mo Masson)

Motion Passes

5. The committee unanimously recommended the use of up to \$8,500 for the purchase of fairway yardage plaques (100, 150, 200, and 250 yards), which includes the labor cost associated with installing the plaques.

Motion: Michael Rassler

Second: John Craig

Vote: 4-0 Aye

Motion Passes

The committee proposed two related projects on which there was not a vote. These proposals were yardage markers on cart paths and yardage markers on full-circle irrigation heads throughout the golf course.

Jesse Seguin to research and present cost options at the following PIF meeting.

ADJOURNMENT

The meeting was adjourned at 6:20 pm.
